

Manure Digester

This Product:

- This product is an organic formulation for both organic and conventional producers
- Assists manure management for livestock production operations
- Boosts decomposition by activating resident microbes of manure
- Minimizes pumping, spreading, volume and hauling prevalence
- Supports prevention and elimination of crusts
- Diminishes and liquefies solids for simplified pumping
- Leaves no environmental footprint
- Stabilizes manure nutrients making nutrients available for plant usage, while reducing solids, odors, gases, fly population, and ammonia levels
- Requires no special equipment or mixing for application
- This product is made in the USA, made microbe- and bacteria-free, contains non-plant food ingredients, is considered non-toxic (not containing or caused by a toxin or poison), safe to handle by producer to use with livestock and soil bacteria, and to use in conventional and organic farm practices.
- Contains 12% Humic Acid

Report of Analysis:

Potassium (K)	.350%
Sodium (Na)	.070%
Phosphorus (P)	.020%
Calcium (Ca)	.210%
Nitrogen (N)	.110%
Iron (Fe)	553 ppm

Directions for Use:

- Management and application rates vary based on livestock.
- Can be used for shallow and deep pit systems, shallow gutters with scrapers, compost enclosures, slurry stones and lagoons, and solid separation systems.

Net Weight: 8.97 pounds per gallon

Packaging: (___) 1 case/5 gallons (2 x 2 ½ gallon jugs) (___) 55 Gallon Drum (___) 275 Gallon Tote
