SB Digester – Organic 3-0-1

Lot Number: Expiration Date:

GUARANTEED ANALYSIS

Total Nitrogen (N)	3.00%
.18% Ammoniacal Nitrogen	
2.10% other Water Soluble Nitrogen	
.72% Water Insoluble Nitrogen	
Soluble Potash (K_20)	1.00%
Derived from Fish Emulsion	

Active Ingredients

Mixture of Microbial Strains	.55%
Bacillus licheniformis	1 x 10^7 CFU/ml
Bacillus subtilus	1 x 10^7 CFU/ml
Cellulomonas cellasea	1 x 10^4 CFU/ml
Pseudomonas balearica	1 x 10^7 CFU/ml
Rhodopseudomonas Palutris	1 x 10^7 CFU/ml
Yarrowia lipolytica	1 x 10^4 CFU/ml
Inert Ingredients	
Water	49.45%

PRODUCT INFORMATION

SB Digester – Organic is a liquid product used in breaking down crop residue. This product is a soil amendment that is a combination of living, beneficial microorganisms that have the ability to degrade a wide variety of organic polymers such as starch, cellulose, chitin and lignin. Can be applied alone or in combination with other organic post-harvest products. Physical compatibility test is recommended. Agitate or mix prior to applying or blending. To prevent damage to microbes, keep out of direct sunlight. Store in a cool place. Replace cap to container immediately after use. DO NOT ALLOW TO FREEZE.

RECOMMENDED APPLICATION RATE

Broadcast spray at a rate of 1 to 2 gallons per acre. For agronomic application rates suitable for your crop, geographic area and soil type, consult a trained specialist and apply as needed based on a soil test, tissue analysis and/or according to recommendations in your SoilBiotics Crop Management Plan.

Net Weight: 9.59 pounds per gallon
