

21Ca + 17S

Guaranteed Analysis:

Calcium (Ca)	21%
Sulfur (S)	17%
17% Combined Sulfur (S)	

Derived from: Calcium Sulfate Dihydrate

This Product:

- Is a granular Calcium-Sulfate product which also doubles as a soil amendment with dust free handling for conventional application.
- Is non-toxic, safe to handle, and contains no microbes or bacteria.
- Is compatible with most conventional products or as a stand-alone product. Physical compatibility test is recommended.
- Can be applied to most crops and soils.
- Should be used within the growing season it was purchased.

RECOMMENDED APPLICATION RATE:

Broadcast at 30 to 200 pounds per acre. For agronomic application rates suitable for your crop, geographic area and soil type, consult a trained specialist and apply as needed based on a soil test, tissue analysis and/or according to recommendations in your SoilBiotics Crop Management Plan.

Net Weight: 1 US ton or per bill of lading

LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Supplier warrants that this product, as delivered, conforms to the chemical description on the label. Supplier states that the information is reasonable for the purposes stated on the label when used and stored in strict accordance with the directions. Supplier is not responsible for any lack of performance of the product or injury to crop directly or indirectly caused by failure to use the product in accordance with the directions, adverse weather conditions, or any other reason not within Supplier's control. **Supplier makes no other warranty or representation, whether express or implied by law, course of dealing, course of performance, usage of trade, or otherwise, including no warranty of merchantability or fitness for any particular purpose. Supplier disclaims any liability for compensatory or other damages arising out of any use contrary to the label directions, including any consequential, special, or indirect damages resulting from use of this product.** Supplier's sole liability is limited to a refund of the purchase price.

Product performance and results may vary, as local growing, soil, weather, or climate conditions may vary, which conditions are beyond the control of Supplier.
