SOILBIOTICS COMPANY E-NEWSLETTER

DECEMBER 2023

## Happy Holidays and Our Best Wishes for a Great 2024!

Well, this year has gone by faster than ever and everyone's getting ready for the holidays. And we're also putting 2023 in the rearview mirror or rearview camera, whichever you use. We want to express our gratitude for your continued confidence in and choice of SoilBiotics for soil and plant health needs. As mentioned in recent newsletters, we're busy building new offices and hope to move in by spring. The growth and success that allows us to do this is all due to our customers' faith in our products and staff. Our vendors have continued their instrumental role in helping us provide and maintain availability of a quality product line. We all feel blessed in having our customers, vendors, and friends. We thank everyone for a great 2023 and send best wishes for an enjoyable and prosperous 2024.

**A Merry Christmas and Happy New Year to all!**
