GHS Statement: This Product Does Not Have to be Classified.

LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Supplier warrants that this product, as delivered, conforms to the chemical description on the label. Supplier states that the information is reasonable for the purposes stated on the label when used and stored in strict accordance with the directions. Supplier is not responsible for any lack of performance of the product or injury to crop directly or indirectly caused by failure to use the product in accordance with the directions, adverse weather conditions, or any other reason not within Supplier's control. **Supplier makes no other warranty or representation, whether express or implied by law, course of dealing, course of performance, usage of trade, or otherwise, including no warranty of merchantability or fitness for any particular purpose. Supplier disclaims any liability for compensatory or other damages arising out of any use contrary to the label directions, including any consequential, special, or indirect damages resulting from use of this product.** Supplier's sole liability is limited to a refund of the purchase price.

Product performance and results may vary, as local growing, soil, weather, or climate conditions may vary, which conditions are beyond the control of Supplier.
